February 20, 2008

**SUMMARY OF BILL:** Deletes provisions making proprietary information provided to Tennessee Department of Environment and Conservation (TDEC) under the Radiological Health Service Act confidential. Specifies that TDEC's rules and regulations controlling solid waste disposal impose liability for site cleanup on entities responsible for the contaminated site to the extent permissible under federal law.

#### **ESTIMATED FISCAL IMPACT:**

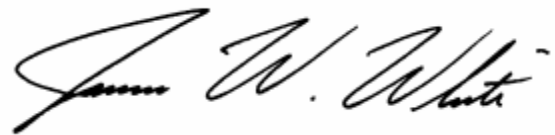

##### **Increase State Expenditures – Not Significant**

Assumptions:

- Any increase in state expenditures for the administrative cost of maintaining proprietary information in a confidential manner is estimated to be not significant.
- Currently, TDEC imposes liability for solid waste disposal site cleanup on the responsible entity. Therefore, any administrative cost to specify such in the department's rules and regulations is estimated to be not significant.
